FINAL LEAF COLLECTION for 2019 BRUSH COLLECTION RESUMES

The final week for leaf collection with our leaf vacs will be **December 30th - January 3rd**.

After **January 3rd** leaves must be put in yard waste bags for collection until regular leaf pickup resumes in **mid-October 2020**.

Our regular brush collection schedule resumes on January 6th. Brush is collected in the western half of the Borough on the 1st and 3rd weeks of the month; this is the area of the Borough WEST of Greenwood Ave. On the 2nd and 4th weeks of the month, brush on Greenwood Ave. and EAST of Greenwood Ave. will be picked up. (There is no brush pickup during the 5th week in the months that have them)

The DPW will also be collecting Christmas trees when our regular brush pickup schedule resumes. Please be sure all ornaments, nails, wire, tree stands and lights have been removed. Wreaths and garland should be placed in your regular trash.

Thank you for your cooperation.

Additional information regarding brush and leaf collection may be found on the Hopewell Borough website at www.hopewellboro-nj.us or by calling the Department of Public Works at 609-466-0168.
