NOTICE

“IN PERSON” MUNICIPAL COURT SESSIONS

are currently suspended in order to
mitigate public exposure to COVID-19.

If you have a pending municipal court matter, please contact the court ASAP. You will need to provide the court with your email and phone as some matters may now be heard “virtually”.

Defendants may continue to make payments for parking and traffic matters through the municipal court’s online payment website at [NJMCdirect.com](https://njmcdirect.com).

Due to the municipal court building being officially closed, no in-person payments can be accepted at the court window, but payments will continue to be accepted by mail.
